“ Jr, I can't believe you are gone. I remember the fun we all used to have riding the circle in your truck that you loved. On the snowy days booking an inner tube up and pulling everybody. Weekends watching the NASCAR races at your Mom's. But mostly I remember the wonderful heart you had, always helping your friends, Mom and sister Tabatha. You will always have a special place in my heart. Love ya!

“ JR an I always would wear shorts in the garage when unloading the haulers while all the other truck drivers would be in their race weekend uniforms. He would give me a hard time if I slipped up an had long paints on. What a good person an true friend.

“ Worked along Jr at the track as a fellow hauler driver. Learned a lot about him through that time. Jr loved his family, God and was always positive. He'd lend a hand or a ear at anytime. He was a very respectable and honorable man that will be missed but never forgotten!
