“ Sylvia, Trent, and Travis,

We share your sadness. Working with Bud at CJH was truly a joy.

His talent for connecting with kids, his sense of humor, and his common sense wisdom made those days so enjoyable. Wonderful memories flood back. Bud was one of the best story tellers we have ever known. (His hilarious account of running over a cat on the night of our wedding comes immediately to mind.) Please accept our deepest sympathy and may your memories bring some degree of comfort.

Sincerely,

“ I had Mr. Brown as a teacher in the late 1970's at Camillus Junior High. He was not only a great teacher but had an amazing sense of humor and was so kind to every student. He was my favorite teacher of all time and will never forget his famous "Zoom Golly!".
Rest in peace Mr. Brown.

“ *I am so sorry to hear of Mr. Brown's passing. He was everyone's favorite. He was not only a great, inspiring teacher, he was a very cool person who could get down to our level. It's tough to teach a bunch of teenagers, but he was the best. Not a lot of adults remember everyone they meet along the way, but I guarantee everyone remembers Mr. Brown fondly. My thoughts to the family.*

“ *I don't remember many teachers from my days at Camillus Junior High but I never forgot Mr. Brown. He was the absolute best human being. His science class was the only class I looked forward to attending and he always made us belly laugh! What a great sense of humor he had. This is such a huge loss for all who were lucky enough to know him. Sending my deepest sympathies to his wife and kids. I hope knowing how loved he was by so many students over decades of time is a comfort for you in this very sad time.*
