“ I am so sorry to hear about Frankie’s passing. As you know, he was such a special man to many.
One memory I have is I was so upset with students giving me a hard time in my classroom. I walked out of the classroom to breathe and shed a tear. Frankie happen to walk up and gave me a hug and said don’t let those kids get to you you’re a strong you go back in there And make sure you don’t let them over on you. You’ve got this Joanie, get it.
