“ *My condolence and thoughts are with you all at this time. I've so enjoyed re-connecting with my Uncle Henry and hearing his stories over the past few years. His ability to story-tell his memories of my mother and my grandparents so enriched my life. I will miss the reminiscences of the Howell family and the Pennsylvania of his youth.*

“ Thinking of how many thousands of miles Henry logged in his driving life- he made the most of it and enjoyed himself.

“ I was saddened to read of Henry's passing. For many years he cheerfully and humbly served his church family in many capacities. He was indispensable in addressing many of the physical needs of the church and performed them competently, often without acknowledgement. His friends and fellow congregants will miss his down-to-earth counsel. May Our Lord be with the Howell family at this time of loss and grief.

“ *Henry has been a faithful member of St. James Episcopal church for many years. Anytime there was a dinner Henry would be there helping in some way. No matter what the weather he would greet people arriving at the church and hand them a bulletin every Sunday morning. He was loved by all and will be missed a lot.*
