May 1, 1931 - March 13, 2015

### Biography

Henry Clinton Follette, 83, of Salisbury, died peacefully and surrounded by his loving family, Friday, March 13, 2015 at Wake Forest Baptist Hospital, after a long battle with terminal illness. He was born May 1, 1931, in Mooresville, NC to the late Clarence Clark "Coot" and Lucy Horton Follette. He was a member of Thyatira Presbyterian Church.

Henry had a long and happy life that was fueled by both his passion for horses and love of people. Born and raised in Mooresville, Henry spent his summers running a riding stable that is still in operation in Lake George, NY. In 1952, Henry married his loving wife, Dixie Sims of Concord. He served in the Korean War, where he was awarded a Bronze Star. Upon returning home, Henry continued to run the family horse business and started his own western store in Mooresville. In 1972, Henry and his family moved to Rowan County, where he raised cattle and champion show Quarter Horses. In addition to his farms in NY and NC, Henry also had farms in Grantville, PA and Ocala, FL where he owned, raised and trained thoroughbreds. Henry never met a stranger. Everywhere he went he always made a friend and a deal. Henry was an amazing man, with a commanding and kind presence, that influenced all that had the pleasure of knowing him. He will remain a role model and inspiration to all, and will continue to live on through the hearts of all the lives that he touched.

In addition to his parents, Henry is preceded in death by his sister, Christine

Bowman (John) of Cummings, GA and brother, C. R. "Babe" Follette. He is survived by his wife of 62 years, Dixie; daughters, Lisa Armstrong (Anthony) and Suzi Cocca (John); grandson, Cody Follette Armstrong; granddaughters, Ashlea Kate Armstrong and Cala Rae Cocca of Salisbury; brother, R. J. Follette of Clemmons; sister, Rose Foust of Morganton and several nieces and nephews.

The family would like to thank Dr. Bayard Powell and his team for their dedicated care. Also a special thanks to his devoted niece, Judy Follette. In lieu of flowers, memorials may be made to the Leukemia Research Foundation, 3520 Lake Ave., Suite #202, Wilmette, IL 60091-1064 or the SECU Family House, 1970 Baldwin Lane, Winston Salem, NC 27103.

“ *It was the early 1960's that my brother Artie and I first met Hen. The stable then was Sunnybrook and, when ever we could put together two dollars each, we'd head there, go for a ride, then just hang out. Over the years that followed both Artie and I worked for Hen, first cleaning up around the barn, and then taking out rides, but most of all just hanging out at the barn with Hen, his infectious personality, and enjoying the day to day antics that went on there. As the many years have gone by, my brother and I have stayed close with Hen and his family. We'd get together throughout the summers for dinners and laugh at the same old stories, told over and over again about the old days of hacking at Sunnybrook. It's not going to be the same without you, Hen. We're going to missthat, but most of all we're going to miss the special person you've been in both our lives. We will keep telling those stories Hen, with tears in our eyes, love in our hearts, and memories that we'll always cherish. We'll miss you Hen. Love, your friends Vinny and Artie*

“ We would like to express our heartfelt sympathy to all of the family with the news of Henry's passing. We enjoyed being a part of Henry's life and have many wonderful memories of time spent at the stable. Last summer I accepted Henry's riding stable award for him at the Painted Pony Ranch and it was a true honor to so as I began riding at the age of 6 at the stable. In the 63 years since that first meeting never was there a time that myself or my family was not greeted with warmth and smiles. Henry will be truly missed and remembered with great fondness. Sincerely, Nancy Lane & Family

“ Dixie, Lisa, and Suzie - My condolences to all of you on the loss of your husband and father. I lived right behind Saddle -Up stables for many years and worked for Henry for 3 summers at least. I was 12 years old when I started. I remember a trip in his big livestock truck that we took to Garnet Lake to pick up horses that were used at a summer camp. We picked them up and on the way back he saw a beautiful horse and stopped, he talked to the owner and bought the horse. He had a way with people that I always remembered. I learned a lot from him in the years I worked for him. I haven't seen your family in many years but I believe you bought our house behind the stable a few years ago. I'll stop this coming summer and see you and say my condolences in person. Take Care...

“ Dear Dixie, Lisa and Suzie, My sincere and loving sympathy to all of you!! Henry was one of a kind and was so loved by so many. He was one of Jim's most favorite people ever! I have never known anyone who knew so much about all horses from those used at the hack stables to those thoroughbreds racing in the Triple Crown. I used to love seeing him at OTB on Kentucky Derby Day, and often asked for a tip!! My Love to you All!! Jeanie Cavanagh

“ My dad Rich Walker was an auctioneer for Coot. I have heard horse stories my entire life. It has been my pleasure to have known and traded with Henry. He always called me Little Rich. He would come to the auctions. He liked to hear me work. He was a true horseman inside and out. I will miss that giant smile. God bless you all and God's speed cowboy. I am sure you and Pop are telling tales to each other.

“ I remember the smile and warmth that emanated from Henry. Since I was a little girl, I remember my father, Fred Brantley, sharing stories of Henry- on the cattle drives,horse auctions and Lake George. All the stories were of friendship and horses. When I went to Lake George, he treated my family as his family. Henry leaves a legacy of kindness and love. God Bless.
