“*Beth, Johanna, I am so sorry at your loss. Brooks was one of my best friends growing up, and I will never forget his smiling face, always laughing, and upbeat way he had. Brooks and your entire family gives me great memories of fun times, and special people. Again very sorry for your loss. Charlie Murphy*

“*Just learned of Brook's passing last March as I was looking forward to seeing him at our 48th high school reunion. Good friend, an usher at my wedding and could always find humor in every situation. I wish we had stayed more in touch over the years.*
