“ *Brenda and Gary,*
We are truly sorry to hear about the passing of your father. Unfortunately, we also have lost track of some of the family and are saddened to hear you lost your mother and aunt as well. When your Great Aunt Cerena DeRoo passed away, the family tried to locate family, including Arlene, who happened to be my God Mother, and struggled to locate her along with extended family then (5/11/2017). Our thoughts and prayers are with you both and your Uncle Oliver's family as well.

“ Gary and Brenda, we are very saddened to the passing of your father and very thankful that one of you posted it on your mothers face-book page. The only contact that we have had with the Swaenepoel side of the family over the years is with your parents thru face-book and e-mail and we lost that contact over 5 years ago. We were further saddened in reading the obituary to find that you have lost your mother and aunt since we were last able to contact your parents. We would like to have contact with one or both of you, my e-mail is leenewera@aol.com. We pray that God would give you peace and comfort at the loss of your father. Lee & Dianna Hendrixon
