“Wow what a great guy Herb was, i met him years ago when i cooked at the Riv in Bridgewater and had some great conversations with him many times, i took pictures with Big Bill's motorcycle world on local access t.v. in Brockton , ran into him at the track in Loudon many times, once ran into him at Gene's steak house on 92 just past Daytona race track , we both laughed at each other , we seemed to run into each other a lot years ago, i knew he closed up his car dealership but didn't know where he went, glad he enjoyed his last few years fishing, he was a constant gentleman and great guy, with a great smile, rest in peace old friend, respects to your family. LOVE HIGGINS

“My most sincere heartfelt condolences to all the family, I was deeply saddened to hear of Herbs passing.I first met Herb at the old Raynham go kart track back around 1961 or so. I vividly remember going to his home on Market street in Brockton to buy parts for my go kart and get advice from Herb, he was always there for me in times of need.I hadn't seen herb for over 35 years, last time was when I dropped in on him one day at Quarterly Motors. We talked and reminisced for a few hours, a very enjoyable time for both of us.Rest in peace my friend,Charlie Malo

“The memories are many and the stories overflow as we sit together thinking of you. Thank you for allowing me to be part of your fight against cancer and I am so grateful for the extra time we got. Each day you shared another story with me about how very proud you were of your children and grandchildren. We grew to be family. May you rest in peace until we meet again.
