“ *Holly I am so thankful for your recent visit up to Cumberland. We had such a great talk. I have so many memories of us growing up together. You may have lived an hour away but we still got to spend a lot of time together, playing barbies for hours. I love you so, much Holly and will miss you so, much. I know you had a great welcome waiting for you in heaven. May you rest in peace.*

“ *Holly and I shared a deep love of cats. No visit was complete until we shared pics and videos of our feline babies. Two crazy cat ladies!*

I never told Holly how I admired her attitude. She found the things in life that brought her joy. She found love .

Dears Judy and David I will be praying for your peace.

“ Holly Fairall,

My dear sweet Holly, you came into my life 15 years ago when I first moved to North Carolina. I was lonely and didn't know anyone in this area yet and you walked up to me, introduced yourself to me at St. Terese and we became fast friends. You helped take away my fears of loneliness at that time and we found comfort in each others sisterhood. What a loving, beautiful heart and special person you have always been to me. We shared many fun times together and you always had a great way of making things funny, lifting spirits and lighting up the world around you. I join your family and loved ones in pain and sadness of our loss having you part this physical world so young, but I know that we will see you again when the Good Lord calls us home. “ Blessed are those who mourn for they will be comforted.”-Mathew 5:4.

*I am also comforted in knowing that tears are prayers too. They travel to God when we can't speak!”- psalms 56:8. “God promises to make something good out of the storms that bring devastation into our life! -Romans 8:28. I will miss you my beautiful friend/sister and I am praying for your family and loved ones that God will provide us all peace and comfort during this time of loss. God bless and be,
Love, Julianne*

“ Words often fall short in times such as this. May “the God of all comfort” (2 Corinthians 1:3, 4) and your cherished memories comfort and sustain you.

“ *I'm deeply saddened to learn of Holly's passing in an automobile accident on February 16th. Growing up as a teenager, I remember baby sitting for Holly as we both grew up in Kensington (Holly at Nana's on Glenridge Street and me in Parkwood). My sincere condolences to David, Judy Fairall, and our extended families as we begin the grieving and healing process for a truly beautiful, kind, and humorous young lady, who will be deeply missed by all her family and friends. May you rest in peace cousin Holly. Blessings.*
