“ Howard and Judy were our neighbors in Charlotte when I was a child. We ran around their house as if it was our own. Howard would have been proud that I went into banking as he had a long career in the industry. My thoughts and prayers to Judy and the boys (now men) at the loss of a loving father and husband. Sorry that I could not make the funeral as I live in South Florida. Hear that some of my siblings were able to attend. Blessings to the family.

Making sure you became a young man and a male roll model
When I got hired on with Piedmont Airlines I visited with Howard and Judi
Before going to Tampa for my full time job interview they took me
To the CLT airport 4/1/1981
Howard and Judi always rowed their own boat no matter

“ To Howards family, I worked with Howard for 30 years and many of those he was a Boss but also a friend. Over those years many of us played softball, bowling and golf on Bank teams. Howard was a good ole mountain boy. You always knew where you stood with Howard. He was the same every day. If you reported to him , he had your back.
He will be missed but not forgotten I just wish I had known his middle name before now.
We razed him one time for wearing a pink shirt, If I had know his middle name he definitely would have caught more ribbing.
There are a few people in your life that make a lasting impact. For me Howard was one of my favorite people..
Judi, Rocky, Keith and family , Condolences
May Gods Grace and Peace be with you.

“ To the Lewis family, my family as I call them, my thoughts and prayers are with you at this time. Howard was a wonderful man whom I thought so much of...he will be dearly missed. Judi, I know your heart is broken, and Rocky and Keith, I know how much you and your dad meant to one another, but know that he will always be with you everywhere you go. Carry him as your "Angel" always. I have carried my dad as mine for 36 years now and never do I feel alone. I won't be there in person to say goodbye, so please tell Howard for me. I love you all...❤️
