“ *Hughie was like another brother to me in my childhood. He grew up best friends with my brother Jerry Little. He was always at our house. So sorry to have lost touch over the years. Always a bright star in my life. RIP Hughie.*

“ *Hughie was my best friend in our youth. We lived close, and spent much time roaming the woods, walking to everywhere, and having the simple fun of boys in the early 60,s. We shared a love of motorcycles, choppers, and riding in cars with our many friends.He will be missed by many, but we have great memories to smile on. We shall meet again, rest easy, my old friend.*

“ So sorry for your loss. I knew Huey in my youth. He was a fun loving person. He could always make me laugh. He will be missed.

“ Matthew, Hughie (as his best friends called him) and I were best of friends. I love to reminense the many fun times that we had and all of times that what we thought was getting in trouble back in the late 60s and early 70s. I just reconnected with him on the phone several months ago and we had plans to get together and talk about how great we used to be....hahaha. My heart cries for you and Hughie's family. You have the best day possible.

“ Matthew, I'm very sorry to read about the passing of your father. I see you shared the love of a guitar with him. My thoughts and prayers go to you and your family.
