“ I will always remember Idalia as a gentle, giving soul. She was always so gracious when I visited her and Julian. They made me feel loved. I never forget a pair of earrings with blue stones that she gave me, as a little girl. I still have one of them because somehow I lost the other one. I loved her Alcapurias, she was a great cook too. Idalia and Julian will always be in my heart. They were the closest aunt and uncle that I had and shared my childhood with. Both are now with their/our creator (Jesus) and all the angels in heaven.

My condolences to my cousins and all family members.

In Loving Memory, Aida Cruz
