“ *I met Mrs. Mae during her stay at the Gordon Hospice House. I was blessed to visit with her on several occasions. The last time we visited was Christmas Eve. She sat with me during the Christmas Eve service and visited with me at the volunteer desk for several hours during the afternoon. I told her goodnight as I left the house on Christmas Eve night and told her she had better get to sleep so Santa would come by for a visit! I regret not being able to visit her after her move to Serenity House. Prayers for her family.*
