I hadn't known Irene was in Florida till 2 years ago. I was blessed to spend some time with her in Bushnell before she went to Noerth Carolina. For Abee and Henry (shitzu/bishon it was love at 1st sight! Irene wanted them to have a wedding, she said Abee could wear a wedding dress which would have been adorable but I told her Henry would never wear a tuxedo took me 2 years to get a picture. We were just laughing about it a month ago. We had so much to talk about, and we talked about when we get to heaven a lot. I loved her very much!! We are cousins. We even talked about going together to talk to Jesus. I know Irene was ready as far as being right with God, so there's no doubt in my mind she is going there when Jesus comes. Thank you Dean and Paige for bringing her to your house, because of you she had more time and I'm so very thankful for all the talks we were able to have. She was so thankful for you, after she got up there and realized life was going to be wonderful. She talked about you all the time. She talked about everyone, but she was so thankful for you taking care of her. Just wanted to tell you that.
