“ i knew murc for about 4 years. they were the first ever person to greet me in scouts and i cherished every moment i had with them. the minute my mother informed me about murc's death, i didn't believe it at first before talking to my friends about it. i miss them dearly, they were one of my closest friends in scouts and they were the kindest soul you could've met.

“ Zeke was the light of Mooresville Middle and Selma Burke. When we first met I was new to Mooresville Middle and didn't know anybody and they invited me to sit at lunch with them. I always knew I could talk to them if I didn't have anyone to talk too. I love Zeke and I hope you Rest In Peace.

While I didn't know Zeke personally, their story as saddened my heart. Every life is worthy and important and needs respect and dignity. Now we will never get to know this beautiful life and what they had to contribute to making this a better world.

“ I know Vianne mostly through stories from my daughter, Abigail, and a couple of conversations. She was bright with a great energy. I played a song one day, and Abby started singing along. It surprised me because it was a more obscure song. I asked where she heard it and when she told me it was Vianne, I thought, "of course it was and good for her." May peace be with the family. No one should endure what I can only imagine you're going through.
