“ Mr Caldwell was a great man as well as a great husband, father, and grandfather and I want to extend my sincere condolences to the whole family for your loss. "Big Jack" was like my second father when I was young and growing up in the neighborhood with his son as well as my best friend Jack, I hope the whole family can get through this loss in time.

“ Our prayers are with the family of Jack. He spent a lot of time with me at Ramsey Products introducing me to the engineering duties that I still carry on. He was always kind and supportive as I was learning to continue where he left off at Ramsey. Very fond memories.
