“*Jacob and I worked together at Symmetrix and I considered him a good friend. He was a kind soul and made us all laugh. When I lost my dad four weeks ago, he came right up to me and gave me a hug and expressed his sorrow to me. I now express my deepest sorrow and sympathy to his family. May the good Lord above grant your family peace, strength, and comfort that only he can give. Jacob, you made me laugh and thanks for your kindness. I will forever remember you, miss you, and love you man.*”

“ A very unique young man who even though I am 40 years his senior, he always spoke kindly, ALWAYS smiled and we became friends. He never passed without saying "HEY" and giving me a hug. And then he would ask if I had wintergreen lifesavers (he knew I always did). Even though we only hung out a couple of times, we were good friends and I love you and will miss you terribly. When I join you Jacob, we'll have a couple LM's and chat for awhile. My deepest and heartfelt condolences to the entire Harris family.
