“ Jacob always wore an infectious smile that genuinely lit a light into his soul. He was gentle, friendly, witty, fun-loving and a friend to nearly everyone he met. He will be dearly missed by his loving parents, son, wife, relatives, co-workers and many friends. He left us way too early and pray for his complete peace and understanding on his continued journey.....

“ Jacob was my big brother and best friend that I've ever have had. Always willing to help like his mother and goofy like his dad. I stayed with him and his family for a short time when i first started working on my own. We had a great time those days living together playing video games almost every night, till his mom found out lol. He always said wanted for us to do that again. He will forever be in my heart. There was so much more we needed to do together but for now watch over us and booker. Until we meet again brother.
