“ To Jackie the love of my life of 43 years you're the best thing that ever happened to me, you also loved my daughter Heather as your own, we also had our own daughter Danielle who you loved dearly and Misty Gale as a stepdaughter. I know that you loved your brothers Johnny and Morris, your sister in-laws Vickie and Theresa, your other family memberbers and people that you've worked with along the way...but the love of your life was your grandson's Jacob and Riley. From the very first day I saw you ,- I handed you a diet coke and asked you if you believed in love at first sight-I knew that I loved you, my heart will always belong to you until my days are done. Until we meet again, always with love -Danny
