“ My condolences go out to Jackie kids, sisters, brother, mother, father and step mom. I knew Jackie from the time she was born. She was a cute little girl. I can remember it like it was yesterday. I know she is greatly going to be missed by every one that knew her. Now she is no longer in pain and is a Angel watching over every one. She might be gone but will never be forgotten. RIP my friend till we meet again one day in heaven.
