“ *I remember the Ammon's family living right around the corner in our neighborhood when we were youngsters. Seeing him most recently at our favorite eating breakfast spot (Corrine's) it was like we were still those youngsters playing in the old neighborhood. Lots of years had passed since we had seen one another but it was just like we'd seen each other just a few minutes ago. He was a friendly man and I feel the same way when I see Bonnie and Kenny. Just good people!! RIP Carey!! Sharon Broome*

“ *Carey and I played together as kids and we were in school together. We both liked cars and I have uploaded two photos of a 1957 Plymouth that look like his first car. His friends and I nicknamed him "Batman" when he got this car because it reminded us of the original "Batmobile". Sending love to his family and praying for God's peace to rest upon them. “ I went to school with Carey. He always had a smile. He was a very kind and respectable young man. I haven't seen him since high school until a couple years ago when I saw it at Walmart. Carey was still the sweet, kind, respectable, guy. He still had that SMILE! He married Kim that I had went to church with years ago. Very Sweet People, Very Sweet Couple. So sad but thankful to know he is with Jesus. Prayers and thoughts for his family and friends. Love, Nancy Powers Teague

“ As clients of the pest control businesses Carey worked with we found that he, through his actions, was a student of the Bible. Colossians 3:23 "Whatever you do work at it with all your heart, as working for the Lord, not for men." Prayers of comfort for his family and for his friend, Donna Lamberth.
