“ *I didn't get to talk to you very much, you were the kind of kid that could put a smile on anyone's face, you had great horse back riding talents, I enjoyed riding with you in the valley, it's hard to say goodbye, but we all know you are looking down upon us smiling, remembering us as we remember you never letting you out of our hearts, you have a piece of all of our heart's with you, I will miss you forever, never forget you, I can never forget you're smile. Rest in heavenly peace James*
