“ *He was the best boss a young man could have. All of us that worked for him back at the service station learned a great deal. Mr. Ramey was like a second father who watched out for us. His lessons on how to deal with people, kindness, and yet a strong work ethic we all still take with us to this day. Rest in peace "Boss Man" and tell Hammer hi for us all. I hope you both are playing a round of golf in heaven.*

“ Worked out at Mallard Head Country Club for 35 years. Jerry lived on #1 fairway and when I blew leaves off the course I would slide in and blow the leaves off of his yard. He would always reward me with a bottle of Crown Royal. He was definitely one of a kind and I will miss his friendship

“ Jerry was a wonderful Grandpa to Haidyn, and she misses him very much. Because of her faith in Jesus, she knows that her Grandpa is no longer suffering. She also knows that she will see him again one day, when they are reunited in heaven. She was blessed to have such loving grandfather.
