“ Jim was a dear friend when he and I both lived in the mountains of NC. Jim would call me to come down and help him get his Pacemaker programmed. A very simple man with simple taste. We spent a lot of time together over the years we lived near each other. Rest in peace my friend, Shirley and I will miss your "tall tales and stories". God bless his family.

“ *Little Jim used to tell us a joke & then sit there for hours talking and getting him to tell the joke again & he would laugh and tell another one. He would sit there & tell me memories of his wife up in heaven & son. He talked very highly of his daughter & grandkids. Loved him like my own father & my kids called him pops. He will surely be missed*
