“ I am so saddened to learn this. Having a 25 year old boat I got to know Jim very well over the past 20 years. I cannot count how many times I would duck into the maintenance shed and lean on that desk and talk about football, life, family, or whatever with my friend. His sense of humor was right in line with mine and he was a very kind man, and a very good man. He loved his family above all else and I know you will miss him very much. I pray for you all. Goodbye Jim...thank you for everything over the years.

“ I am heartbroken. Jim has been our boat mechanic and our boat family member since 2005. He knew all of the boat experts on Lake Norman and they all knew him and respected him. He would always genuinely ask how I was doing before I could ask him. He would come down to our wet slip and diagnose our problems when something occurred. He was brilliant at diagnosing issues. He knew our boat better than I did. He loved his family and talked about them lovingly and passionately. He loved the Carolina Panthers. I will miss him cutting his eyes at me and giving me his laugh. May God hold him closely and give his family grace and peace as he now becomes their guardian angel.

Heartbroken. Jim took care of the two boats we've had on lake Norman since 2006. But more than that, I took care for, and of people. I will miss our time talking sports and our by- monthly lunches. He was an easy guy to like and enjoy.

“ I am Soo very sorry to hear of Jim's passing. He has been servicing my boats for 19 years. I was just with Jim at the shop 3 weeks ago. We always had some good conversations. Discussing everything from politics(He and I were on the same page there) to Health and taking better care of ourselves and Insurance and Family and how he loved his grandchildren and his plans for retiring in two years. I am really saddened to hear this and I am praying for Peace and Comfort to you all. Glenn Hombroek.
