“ *We regret hearing of the passage of Jim Martindale. Though our time spent together at the Red Tailed Hawk Restaurant was only a couple of years his spirit will always be with us. Seeing Jim again at the RTH reunion was a highlight of the event. We remember joining Jim and others at Snowshoe Mountain in West Virginia in '80 and skiing at a very new resort. We now live at Snowshoe full time and fondly remember our first trips. Our heart felt condolences to his family. He will be remembered well. Bob and Debbie Shaffer...Slatyfork, WV*
