

James Michael Randleman

June 3, 1942 - August 5, 2017

James Michael Randleman, 75, of Salisbury, departed this life on Saturday August 5, 2017. He grew up in Jonesville, NC, and graduated from high school there. He attended Mars Hill College and graduated from Wake Forest Law School. He served in the FBI, practiced law, and taught in several North Carolina colleges. However, his favorite job was working the wheat harvest from Texas to Canada during the summers of his college years, and he would have loved driving a tractor for a living. He was a talented musician and particularly enjoyed playing blue grass music, especially with his brother, Kirk. His family was always his most enthusiastic audience. He is survived by his wife, Cynthia, and his daughter Courtnay Spradley, son-in-law Randall, and his daughter, Allison; his mother, Louise Randleman; mother-in-law Betty Alexander; sister Julia Fussell, brothers Richard and Kirk; and sister-in-law, Connie; granddaughters Hana, Nina and Fiona Spradley. He also opened his heart and his door to three step-daughters: Cammie Burgess, Julia Hallum and Bruce Anne Farmer; their husbands: Rene Burgess, Mark Hallum and Charles Farmer; three grandsons: Jon, Robert and Andrew and their growing families which include a great grandson, Levi Burgess. He had many nieces and nephews, and he loved them all. Mike had many life-long friends from all phases of his life, none more special than his high school friend, Reg Banner, and his law school classmate, James Melvin. His life was characterized by an alert intellect, a loving heart, a gentle spirit, and an extremely enjoyable sense of humor. Godspeed, Michael, Godspeed. There will be a Celebration of Life

Service at 3:00 PM on Saturday, August 12 at First Presbyterian Church in Salisbury with a reception following at 4:00 PM at the Gables Clubhouse. Cavin-Cook Funeral Home, Mooresville, is serving the Randleman family. Condolences may be made to the family at www.cavin-cook.com.

“ *I mourn the loss of Mike Randleman. He was a great lawyer, teacher, and human being. He loved his family, the law and life itself. His students had great respect for him. Of course, Mike loved music and playing his guitar. I enjoyed so much working with him in my capacity as adjunct faculty at Gaston College. His family and all those who love him have my sincerest sympathies and condolences. God bless them all.*

“ *Mike was 'family' to all of us who were his friends in the PAD law fraternity at Wake Forest but, more especially, the "ABC" group formed by James Melvin. Every year for decades we would gather and Mike would play and sing many of the songs we loved. He was special. He was an artist who could have been a cartoonist with a major newspaper. The humor he gave to us in law school kept us afloat. He was gentle and kind. I will sorely miss him! Don't forget....they have guitars in heaven my friend.*
