“ Sam was a great business associate that I totally enjoyed and respected working with at Fleetwood Homes in Mooresville. He was always happy to help with anything or explain why something had to be done a particular way. One of the best! I will never forget you Sam Minter. I'm praying for peace for your family. Our earth is short one kind soul with your passing Sam but heaven just got better.

“ Linda, Dave and I send our love and prayers. We share many happy memories spent with you and Sam. I remember working on a drama at Mooresville and I wanted some special lighting for various places on the stage. I wanted to be able to operate those lights at will. Now this was years ago and there was no special lighting in the church at the time. But Sam made it happen! He listened to my crazy desires and wired up the neatest wiring system with switches so we could have that special lightening. That meant a lot to me. How many little ones learned of Jesus through your and Sam's ministry? Only God knows....and Sam is finding out! God bless you!

“ Linda, we are so sorry to hear about the passing of Sam. I have such fond memories of Sam coming over to the animal hospital to visit even before we opened the doors for business. He was the best story teller and a great friend to myself and especially to Dr. M. I especially loved it when you and him would come to our garage sales twice a year and he would buy things, not for himself, but for others in the church. He had the biggest heart. Soar on high with the Angels now Sam and keep watch over all of us that knew and loved you. You will be missed by everyone that has the profound pleasure of knowing you ~ Until we meet again Sam ~ Linda and Art Rahtes

“ Dear Linda, My prayers are with you. Sam surely could bake a cake. It was the first desert to disappear at any gathering at Liberty Baptist Church. He was a expert at cutting the cake so several folks could enjoy his cake.

“ I have so many memories of Sam. He was a very special person, with a warm sense of humor. He loved his wife Linda, and his cats. I recall his tag read "2 Meows." He and Linda came to visit us, and seeing the clutter on the floor of the girls' room he stated, "Anything on the floor is mine." The girls did not think that was funny. We will meet again, my Brother.

Linda sweetheart , your Sam was a special man , such a pleasure to have known. His personality was contagious , always keeping us in stitches ! He will be so greatly missed , a great loss as a brother in Christ , & I can only imagine your loneliness & pain without him , bless your precious heart ! I will be remembering you in prayer that God shelter you in His arms & give you the Grace that He has promised to get you thru now & the days ahead. You will re read this one day later on & realize that He truly did provide that marvelous Grace that got you thru & still is today , tho it's still tough ! Remember we as your sister & brothers at Liberty love you so very much & are here for you. I personally can't do much , but I will be praying for you daily , as I understand your grief ! Love , hugs & prayers I leave with you !
