James “Jimmy” Allen Porter, 75, died peacefully at his Mooresville home on Wednesday, July 25, 2018. He contracted Polio as a young child and learned determination and perseverance, skills he applied throughout his career as an engineer. Above all else, he was a devoted husband and father. “ *I'll never forget Jimmy. My family moved to Palm Harbor when I was in Fourth grade.*

Jimmy and I lived in same neighborhood and walked to Palm Harbor Junior High together many times. So wished I could have seen him again since Graduation in 1961. He was so sweet. May God grant peace and comfort to his family.

“ *I went through 12 years of school with Jimmy. He and I were part of a group of Palm Harbor kids who played together almost daily after school. He was a beautiful child who grew into a handsome man, good man. Love and sympathy for his family. May God bring you comfort as sweet memories heal your hearts.*
