“ *My heart aches so bad, for all of you. Jim was a great man and loved his family more than anything on Earth. I especially loved his sense of humor. Anytime I was around him, he made me laugh about something. Almost always had a smile on his face. I am so glad that I had the pleasure of knowing him. My thoughts and prayers are with all of you guys. If you need anything at all, please don't hesitate to ask.*

“ Thank you Jim for the many rounds of master mind played at the dinning room table. You were a tough opponent. You were my friend, you were my brother in law and I loved you deeply. Thank you for the endless years of Christmas gatherings and Thanksgiving dinners held in your home. Your home was filled with love and family. You are a good man, a great father and a loving friend. You will be sorely missed by us all.
