“ Dear Marj and Family, I was so very sad to learn of Jim's death. I so admired his talents, his ability to put adversity into its proper place and his quiet confidence that life would be O.K. His love for building things was never more evident than his last airplane project. That perfect Sportsman said it all and I was hoping so much that he would be able to fly it. When it does fly, I am sure Jim's soul will be in the right seat on its first flights. Although I am not at the Air Park very much these days, if there is anything I can do for you, please let me know. With our prayers and sympathy, John and Patty Schroeder

“ I am so sorry for your loss. Although, I do not know your family personally, I would like to share some encouraging thoughts from the Bible. The Bible provides comfort during these difficult times. Revelation 21:3-4 states, And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away. Very soon now, we will never experience losing our loved ones in death and we will be able to see them again once they resurrected as per John 5:28-29. May these words give you a new hope.
