

## Jane Leigh Beaver

December 9, 1961 - August 5, 2023

Jane Shoe Beaver, 61, of Mooresville, NC, passed away at her home on August 5, 2023.

She was born December 9, 1961, to the late Grady and Frances Shoe. Jane's birth came three months after her family moved to Mooresville. Jane was a graduate of Mooresville High School and attended CPCC College. Jane lived in Mooresville her entire life and dearly loved her community. Some of Jane's youth was spent with her grandparents on their farm in Rowan County. It was there, her grandmother taught her to pick blackberries and she rode her pony with her cousins. As a teenager, Jane loved riding the family's two-seater bicycle with her friends around town, playing tennis, and at times enjoying Mrs. Meadow's "good sweet tea". All of Jane's friends and family knew her as a caring person that loved her mom and dad. She was a huge dog lover. Jane's dog, Lilly, will miss the many treats that Jane was always giving her.

In addition to her parents, she is preceded in death by husband, Danny Beaver.

She is survived by brothers, G. Jeffery Shoe (Gail), Randall C. Shoe (Debbie), and Ronald N. Shoe (Melanie) and aunts, Martha Smith and Anne Shoe.

A memorial service will be held on August 17, at 2:00 PM, in the Chapel of

Cavin-Cook Funeral Home with Rev. Dave Keck officiating.

In lieu of flowers, memorials may be made to the Lake Norman Humane Society,  
2106 Charlotte Hwy, Mooresville, NC 28117.

“ So many childhood memories with Jane! Swimming, riding horses, playing tennis, going to school together, trips to the beach for the weekend, sitting in church together and drawing bunnies on the bulletins.... Found 2 pictures of her working with a horse. She always had a kind heart! Remember her getting her first car, white mustang.

“ I first want to start off by sending the family my deepest condolences for the Lost of their only sister. Today marks one week that you've been gone and I can't believe it. My heart hurts and the laughter that we shared has now become a memory. I think back the past 20 years, and I wish I had one more time to tell you how much I loved you and how I cherished our friendship, even though there were times that we didn't see eye to eye we never went to bed at night angry at one another. You meant the world to me and you always will. Your brothers have been very helpful and understanding throughout this whole ordeal. Well, we never got to take that train ride we always wanted to, or go to the beach that one last time, but I know you're out of pain and I know you are with Francis and Grady. I'll never forget you Jane and I'll miss you from the bottom of my heart. You were always there when I needed a shoulder to cry on and someone to laugh with. I will miss those days, but I know you you're in a better place looking down on everyone. Always remember that I love you, you've been the best friend that anyone could ever ask for, and you'll forever have a special place in my heart. I love you Jane, Monique

“ I remember many summers around Jane's pool. Seems we were constantly laughing at the silliest things but we sure did love to laugh. We took several last minute beach trips together. One trip I remember well ... we were on the beach and Jane said to me. I'm going up to shower you come in when you have had enough of the beach. So I get to the elevator and I start up and it gets stuck. So after a bit I hear her dads voice say .... Sue, are you in there. Of course we had such a big laugh about the whole ordeal. These memories will last forever. Love you,
