“ Jane was a loving, caring, and all around wonderful person. I trained Jane when she came to work here. She was always eager to learn and would never give up. She would give me the biggest hugs every time I saw her. She was a good friend of mine and she will be dearly missed. Jane had a way turning my bad days into good ones just by saying something only Jane would say (usually a story about Pookie). Rest in Peace Jane. Gone but not forgotten.

“ Jane and I worked together in Charlotte. She was caring, sweet and funny in her own special way. When you were down she would make funny faces or tell one of her silly jokes to make you laugh. While working together on projects at work I really got to know Jane and realize that our paths in life crossed for a reason. Jane was a true friend! My thoughts and payers are with the Foster family.

“ Jane was my dearest friend. She was like a mother to me. She reminded me of the good qualities of my own mom. She was a very unselfish person and loved everyone. Jane had no enemies. Jane missed her mom and Nana very much and spoke of them often. She also worried about her cat Pookie dying soon and didn't want to be without him. I believe Jane is with God now and is finally back with her family. Jane did say if something ever happened to her she would like me to take care of Pookie. My husband and I am here to help in any way if the family needs. I am thankful to God to have known such a wonderful person.

“ Sorry for the loss of your loved one. I have found this scripture to be most comforting. I hope this will bring comfort to you as it has to me. Isaiah 41:10 “Do not be afraid, for I am with you. Do not be anxious, for I am your God. I will fortify you, yes, I will help you, I will really hold on to you with my right hand of righteousness.”For more comfort please go to the following website: <https://www.jw.org/en/vid/eo-why-study-the-bible> and then search for "When Someone You Love Dies" Brochure
