“ *Jim, Abby, Chris, and Charli,*

I am so sorry to hear about Jane's passing. We worked together at Severna Park and Magothy Middle schools. Jane was a wonderful friend...always the life of any gathering. We had stayed connected through email a few times a year. You all were her life's passion. She loved living on the lake and absolutely cherished every moment with baby Charli. My sympathies, thoughts and prayers are with you all. Just know that you all were Jane's greatest joy and greatest pride. I will always cherish my memories.

*God Bless,

“ I am so sorry for your loss. I did not know Jane; she became a member of Newcomers after I had moved back home (to Idaho). I am still a member of Newcomers and I would have loved to meet your dear wife. I would also have loved to find out more about her, you and where your family was from...I, too, married a Shoemaker and I wondered if you and my husband's family are related. I was also struck by how young Jane was...taken much too soon. I do hope and pray that you will be comforted in time by your treasured memories. I pray that God will ease your pain and sorrow of your loss.

Should you ever want to know about the 'Idaho' Shoemakers, I would love to 'talk' with or e-mail you. My e-mail address is in the Newcomers directory (and website).

May God bless and keep you in His loving embrace. Donna Shoemaker

“ Jane and I were great friends in junior high and high school. We spent the night together, vacationed together, went to Carbide Camp together, and had so much fun. I was honored to be in her wedding to Jimmy and I will never forget her. You have my deepest sympathies. Nancy Brabbin Broyles

“ So sorry to hear that Jane died. We were in a book club together, and we were both from West Virginia. She was so excited about her expected grandchild. I could tell how much she loved her family. My heart goes out to her family.

“ Jane was my beloved sister, and I will always have nothing but loving memories of her. Three in particular stand out -- when she was born and came home from the hospital; the day she married Jimmy; and the day my wife, Susan, and I were with them when they brought baby Abby home. Susan and I will always keep Jane in loving memory. Our hearts go out to Jimmy, Abby, Chris, and the joy of Jane's life, Charley.

Jane and I were probation officers together in the 80's and became dear friends. We hadn't seen each other since working together but I never forgot how special our friendship was. Jimmy, I am so sorry.

“ *I want Jane's entire family to know that she brought joy to others just by being her. And in return, Jane's family was her biggest joy. "When our loved one becomes a memory, that memory becomes our greatest treasure." What a treasure Jane is to us all...*

Jane's passing has created a huge void in the lives of so many. Her scintillating wit and loving humor had me cackling in our nearly daily texts. With Jane as Thelma and me as Louise, we plotted mayhem with great hilarity. Her kindness and generosity were unequalled. Rest well, dear friend. You are sorely missed.

“ Jane Ellen, We lived next door to each other for 4 years at EKU- some of the best college years because of your friendship!!! Three years ago 5 of us reconnected and the phones have not missed a day of “dinging” 15-20 a day!! You had a way with words over texts that made it seem like u were here in person!

I love you my friend! Keep the laughter going up above!!... will miss you terribly!! ...And who is going to discuss with me ,our crazy TV show!!!

Save a spot for the ding dongs!!! Love Gail, from Cincy!!!

“ Jimmy,

My heart is broken over Jane's sudden death. She has been a sweet friend for over 50 years and I loved her dearly. The memories made are a comfort and provide me with endless laughs. Jane's wonderful sense of humor cannot be duplicated.

She found in you her soulmate. Thank you for being so good to her..... :)

Abby,

Your mother loved you more than life itself and was so very proud of the woman and mother you have become.

Charlie was the apple of her eye.....

My hope is that we don't lose touch now that Jane is gone. It hurts me to think of not hearing about the latest escapades of Tucker or Charlie....

Please know that your family will continue to be in my thoughts and prayers. May the hope of Christmas comfort you in the days to come.

*Love,
Kathy Goodin*
