“ *John, LeAnn, Greg, When I think of Jan, I think of life... she embraced as only Jan could, wholeheartedly. I think of the first moment I met her, walking down Juniper Lane as I called out to her from our second floor window. Our first conversation from 100 feet away lasted 30 minutes and I had most of her til then life story!!! No surprise, that she LOVED to talk. I'm so glad I got to catch up with hr this past summer in another marathon conversation. Despite the jokes at her expense, she remains one of my heroes. I remember the day she faced her problem, head on, never looking back. I also remember how she conned us into making apple cider never telling us we would have to wheel barrel the apples back to the house! Jan was an amazing strong woman and I am proud to call her a friend. Our entire family shares in your grief and sneds you are love and prayers. Love to you all, Adi and Don*

“ It is with a heavy heart that I pray that peace finds a place in your heart as you grieve the loss of your mother. Just for today, may your source of comfort come from knowing that your mom is at rest in God's hands.

“ Leanne and family, Just wanted you to know that I will be praying for your peace in the days to come. Sometimes those can be the hardest. May your fond memories be sweet medicine to your soul. I hope it helps in some small way to know that others care and stand with you in heart during this sad season. Respectfully, Kim Kiker

“ Dear John and Family -We are sorry for your loss. Jan was an energetic, forthright and humorous person. I would often roll my eyes during a long real estate based telephone conversation for Jan to finish up but that only happened when she was ready to end the conversation. I do remember thought that we always laughed along the way! Even when differing in opinion you couldn't take away the fact that she had passion for her job and her clients - she cared for sure. And the most important for me is she always loved her pets and that says it all for me. Hugs and may the tears turn to fond and loving memories as the days pass. Allyson (and AJ too) Bernard
