“ So sorry to hear of Jan's passing. What a great friend, wife, mother, and grandma. She will be missed by all who knew her, especially her fun loving smile and laughter. We always had such a blast at work with our practical jokes. I wish the family much peace and comfort in this difficult time. I'll truly miss you my friend. R.I.P.

“ One of the hardest moments in life, is loosing someone so close and dear to you. Grandma Jan was a beautiful, sweet woman who would do anything to help anyone she could. She lived to laugh and spend time with her family and friends. I will never forget the call I received saying that she was gone. And to know I'll never get to see her again, and get to say I love you grandma, or say goodbye to her hurts. She will truly be missed by so many, and loved by more. Grandma, I hope you are looking down on us and watch over everyone especially granddaddy. He misses you so much already as we all do. You may have received your wings, but your **MEMORIES WILL FOREVER BE ALIVE! I LOVE YOU AND MISS YOU SO MUCH!** Morgan was looking forward to spending time with you, and now I'll never get the call from you. Until we meet again, **REST EASY**

“ Jan was my friend for longer than anyone else in my life - since we were 4 years old. There were times we didn't see each other often, but times when we were very close. I'll miss her the rest of my life.

“ No words can be said what a sad moment it is to hear of Jan's passing. She was such a sweet heart and she made me feel better when I was carrying my son when I got really big, it was such a pleasure to have worked with her at Startek, I am so glad I had a chance to know her, she was loved by so many.
