“ My sincere sympathy to the family. Jan and I were members of a Decorah Questers group. Her enthusiasm about antiques and her many collections made it a special treat when we met at her lovely home. I remember looking out the windows and watching the assortment of birds at the many feeders she always kept filled. What a beautiful location which she so enjoyed! She was a woman of many talents, and her expertise will be missed. Though too short, I'm glad she got to spend time with her family. Adrienne Coffeen
