“ Our deepest sympathy goes out to Janice's family. She worked with my mom, Mary Mundy, for many years at Sherrills Ford Elementary, and I loved to hear them talk about the fun times they had. She was a teacher's assistant while our son, Chris, was at SFE, and anytime I would run into her, she would ask how he was doing. Janice was a special lady and so giving to others. Our prayers are with you. Pat Mundy Bumgarner

“ Anne I am so sorry for the loss of your dear loving sister. I know how much you loved her and you were always so close. You always had each other and thank God two loving Grandparents. “ We loved "Ms Stutts" so much...first getting to know her at Sherrills Ford when Charlie was in school there. For years she so warmly greeted us with her wonderful smile each morning at the drop-off area...always giving our pet dog, Shadow, a special pat on the head too! Then as her grandchildren later started attending preschool, she was a wonderfully supportive grandmother helping us in a number of ways...saving our same class plant each year her grandsons were there...also sharing the progress of the plants Olivia had taken home from planting as seeds in preschool. Always a joy to be with... She holds a special place in our hearts...

“ I am so sorry to hear of the passing of Janice. She was the assistant teacher in my daughter's class many years ago. She is the kindest and sweetest people I know. Many years later we would keep running into each other at Walmart and she never failed to ask how Amanda was doing .I will never forget her. My thoughts and prayers are with your family at this time. May God comfort you and send you a peace. God bless.

“ I have a funny (yet not at the time...esp for my mom) memory of mrs. stutts. She was my "go to" lady in kindergarden! My mom sent me to school everyday in tears because Sherrills Ford Elementary wasn't my favorite place to be...needless to say, mrs. stutts constantly encouraged, hugged, smiled, laughed and made me feel extra special every single day i was there. One of my fondest memories was the day she gave me a "jingle bell" to ring when i needed her!

“ Stacy & Jason, I'm so sorry for the loss of your Mother. She was a dear sweet soul and to know her was to love her. What a horrific tragedt accident. We do not understand why a loving God could allow this to happen to such a loving wonderful Mother and Grandmother. But we as Christians just have to keep our faith and trust in our Lord and Savior. I loved your Mother and enjoyed working with her at Sherrills Ford Elelmentary and watching you both grow up along with my girls. My thoughts are prayers will be with you in the weeks and months to come because I know how much you will miss her along with all who knew her. take care. love myra
