

Jeanne Mahan Brodigan

June 23, 1957 - May 16, 2016

Jeanne Sue Brodigan, 58, of Mooresville, died peacefully at the Gordon Hospice House on May 16, 2016. Born in Columbus, Ohio on June 23, 1957, Jeanne was a graduate of Ohio State University and a devoted Buckeye. Hired as a flight attendant for USAir, Jeanne had the opportunity to travel the world.

Jeanne's deep faith was an integral part of who she was and how she lived her life. It was her strength, her comfort and her foundation. She was a longtime member of the Williamson's Chapel family and sang in the Walk on Faith choir for many years.

Jeanne's son Doug, was the center of her world. She considered being his mom her ultimate blessing. Time with family was most precious to Jeanne, especially Thanksgivings spent in Columbus. Any moment spent with her parents and family was a special time, documented with many photographs.

Friendships were held most dear, nurtured and cherished by Jeanne. Never did a birthday pass without a special card or message. Her generous spirit and open heart blessed her life with a multitude of extraordinary lifelong friends. Special thanks to the many people who cared and supported Jeanne during her yearlong battle with cancer.

Never so happy as when her toes were in the sand, Jeanne had a lifelong

love affair with the beach. Her trips to the shore always provided favorite memories of time spent with her mom and sister. She enjoyed traveling and shenanigans with her much loved flight attendant crew. Whether at the beach, with her family or flying across the country, she never could be caught without her pink lipstick on, her red hair looking fabulous and a gorgeous smile on her face.

Jeanne is survived by her son Douglas; parents Kenneth and Patricia Mahan; sister Julie (Steve); nieces Cari Burdette (Travis) and Erin Vance (Emily); great nieces Hannah, Madilyn and Emalee; and cousin Tom Wolfendale (Jeanne).

A service to celebrate Jeanne's life will be held on Saturday May 21, 2016 at 11:00 am at Williamson's Chapel United Methodist Church in Mooresville.

In lieu of flowers, memorials may be made to Hospice & Palliative Care of Iredell County, 2347 Simonton Rd, Statesville, NC 28625.

“ Jeanne, your name means - "God is gracious". And you have been "gracious" ever since I met you so many years ago. You will be remembered as a beautiful, vivacious and fun-loving woman whose life was cut short, but you will live forever in our hearts and souls. Until we meet again, keep on smiling your beautiful smile.

“ I met Jeanne in the early days of my airline career. She was bold, fun loving, sensitive and kind.....and always smiling. She made me feel welcome and appreciated from the first time we met. She had a zest for life that you could not deny. It is good to know that she trusted in the Living God that made her for His glory. Her life was significant here. She was a good and faithful servant. “ *What a privilege it was to know Jeanne. I always knew my work days would be a lot more fun when she was part of my crew. Jeanne kept everyone in stitches with her dry humor, yet had the sweetest side and plenty of hugs and kisses to share with everyone. My heart is so heavy right now, but my memories of Jeanne are making me smile even as I write this. Thank you, Jeannie, for sharing yourself with so many of us. You made a deep and lasting impression and our lives are all richer. I love you and miss you.*

“ *Jeanne was one of the most loving, caring, faithful, fun-loving, vivacious human beings I have ever known. It's hard to imagine that I'll never hear that incredible laugh again. Jeanne always brought smiles to everyone she came in contact with - what a beautiful legacy to leave the world. Godspeed to you Jeanne. I love you.*

“ *When I learned of Jeanne's passing this morning, I decided what better way to celebrate her amazing spirit than to go to the place she loved best. I am fortunate to live a mile from the ocean, so in her honor I went for a nice long run on the beach. Her voice and infectious laugh played in my head, it was comforting and encouraging. I am so deeply saddened, but at the same time, thankful she is in a much better place, pain free and wearing her pink lipstick. Toes in the sand will, for evermore, take on a whole new meaning.*

“ Though we were not as close as we once were, my heart aches at the passing of my step-mom. Jeanne played a huge role in my life and I will forever hold a special place in my heart for her. I am thankful for all of the memories we shared which molded my life in many ways. We fought over some crazy things such as not allowing me to eat chocolate cake for breakfast! I would say that the best gift she ever gave me was my younger brother Doug. I know she is in a better place and free of pain. Until we meet again, I will think of the memories and smile knowing she is finally home.
