“ I send my deepest condolences to the family and friends of Mrs. Richter. Although I did not know her personally, I, too, have experienced the loss of a loved one some years ago and know it is a difficult situation to face. I pray that her family and friends can find comfort in God’s Word, the Bible, and continue to rely on Him in prayer. John 5:28, 29 talks about a hope we have of seeing our loved ones again when they are resurrected back to life. What a beautiful and exciting hope that is!
