“ Ernie and family, Rhett and I send our condolences to you and your family. We will never forget Diane. She was my first teammate when I began teaching in Mooresville in 1998. She was so much fun to work with and the students loved her. I will cherish the memories of teaching 5th grade with her all those years. I still have so many things she gave me when she and Tom retired and she cleaned out her room. We also shared a love of dogs. I will remember her always. Her suffering has ended and she is reunited with her beloved son and the Son. Fondly, Cristin and Rhett Dusenbury

“ I'm so saddened to hear of Diane's passing. I loved this woman, she made my heart smile everytime I had the privilege to work with her at Rock Steady. A true fighter and optimist. She was a joy to be around and I loved her musical soul. I will miss her so much and I'm so grateful to have known her. Ernie, we're thinking about you and praying for you at this difficult time and want you to know that you are always part of our Rock Steady family.

“ Ernie and family, I am saddened to read the news of Diane. She certainly was a wonderful fifth grade teacher, as well as, a wonderful person. I enjoyed seeing her of late at the spaghetti suppers at ARP. I cannot be there to celebrate her life but I am praying that you all will be lifted and supported by those around you and our Lord Jesus Christ.
Sincerely, Elizabeth Gibson
