When I was in kindergarten, I proudly made gingerbread men ornaments for the Christmas Tree in school. I was very excited to bring them home to show my Mommy. I was so so happy to hang those gingerbread men on our artificial aluminum Christmas tree with the four colored spinning light!!! One day, something was amiss on the tree! To my horror, he gingerbread man had his leg bitten of!!! Jeff said he didn't want him running away as fast as he can! hahaha Hence, my tribute was offered about 15 years ago!
