“ I had the pleasure of working with Jeff at the Town of Mooresville. He was one of the first to reach out and welcome me to the Town. He had a great smile that could light up any room and was genuinely very nice and helpful. It was obvious he cared about his work and the people who worked with him. Definitely a great person overall! So sorry for your tremendous loss.

“ *We were so sadden to hear about Jeff. I remember the sweet harmonies between Jeff, his dad and Paul Jr when they sang at church. We remember when Margaret and Jeff were married, our son Jamie was their little ring bearer. When Megan was born the smile on Jeff's face was even brighter than before and that was so every time you saw them together. Our prayers go out to the family, especially Megan, Paul Jr and Renee. May the presence of God heal your broken heart. PR and Sherry Deaton*

“ To Megan, Paul Jr, Rene and family, please know how much I love you and pray for God to sustain and bring you “His” supreme supernatural comfort, healing and hope. God bless you all.

I was so devastated when I first learned of Jeff's passing. Over the past week, God has given me a supernatural peace in my heart, mind, and soul which confirms that "I know that I know, I know" Jeff is singing Praises to Jesus his Lord and savior. Just as he sang at my parents funeral services 30 and 45 years ago, " It is well with my soul." It is well with my soul that he is united in glory with Jesus, Margaret, Paul Sr, and Evelyn and so many other brothers and sisters in Christ. His life was a living testimony for Christ. So many powerful memories of my youth growing up together in church, taking piano lessons at his parents house on Edgemore, many many prayer meetings, worship services, Sunday school classes, Fellowship, There are countless memories of experiencing how mighty our God is. The Lord is the same Today yesterday and forever.

Jeff gave himself a willing vessel for God to use throughout his entire life. His wedding to his beautiful bride, Margaret, the total life changing birth of Megan, his greatest cherished gift in life. You could just be in his presence and without a word, his pure gratitude, joy, and love for Megan radiated like the sun. To all of those who had the privilege to know him and work with him, I know you were blessed. Rest in peace, my life long friend, our sorrows can not compare to the "Glory of God you now live in eternity". Once again, I am reminded that this life on earth is temporary, Jeffs life was lived with truth. Jeff put Gods eternal values a priority in his life by living and trusting the word of God.

What a powerful example of living for Jesus!!! My life was touched by an angel through Jeff and the Baker family.
