“ Jeff, I watched in awe the celebration of Jeffrey’s life on YouTube. I loved the music, the eulogies, and all the interesting tales of Jeffrey. He must have been one neat little fellow and he was little the last time I saw him at your mothers. The guy leading the service was awesome. I can understand how he could be a mentor to Jeffrey and his friends. My prayer for you and your family is for God to wrap His loving arms around you all and give you comfort and peace as only HE can do.

“ Remembering your happy and healthy looking face when I just saw you on a Friday afternoon, before a fatal decision, that took you away from all of us. I so wanted to be a part of your sobriety future to support you with whatever needs you had. Glad I saw and talked with you on that day! Love to all your family and friends who are heartbroken. I will keep your phone number in my phone to remember you. So sad. Admired your sensitive nature and good heart. Thanks for your dear friendship with our son, Trevor. He will keep a part of you in his heart with all the memories shared together. Beth and John Haslett
