“ I went to see Jeffery onetime and his teeth were rotting in his head,dealing with all that pain and Brenda was suppose to take care of him she took all his money and ours,she did nothing. I went another time and Jeffery was exhausted,worn down, I could tell he was being forced to bend over so much it worn his health down. Pretty dirty to hear a week over a week later your brother has died and your sister Brenda told people in charlotte not to tell me she did not want me at my brother's funeral. Her being I clt constantly on my son and making trouble had every opportunity to have me told he died, instead she beat with her family and bos
