“ Kellie and Family, I am so sorry to be just hearing about Jeff's passing. Jeff was my manager at Hertz when I first started working there. He was one of the reasons I stayed in that industry as long as I did. He was always kind, patient, understanding, positive and funny. One of the best managers I have worked for. Kellie, you were always kind too. Thinking of you and your family and sending peace and love your way.

“ It's still so hard to believe and with the holidays coming up all I can think about is you Kellie and your 2 beautiful kids. Jeff was my manager at Lowe's in Statesville from January 2016 thru August. I've never met a more understanding and problem solving person as him. It didn't matter the situation or others attitudes, Jeff had so much joy in his personality to warm that whole building! He always would have something silly to say or do. He is by far the best Manager I have ever had and my heart goes out to you and your whole family. I wish I could help with your grief but time will eventually heal you.. My prayers are with you, and you and your kids are in my thoughts daily! Not a day goes by that I don't pray for you! God bless you!

“ *My deepest heartfelt condolences to Kellie and the children. So very sad.....Jeff was my Assistant Manager at the Lowe's in Kannapolis, NC. I was on vacation when a friend from Lowe's contacted me and told me about this tragic event. I certainly would have been at the services. I respected Jeff and he tried his hardest to make our Lowe's run smoothly. I pray for Jeff and his family....*
