“ *I met Jenn in 2014 and we became friends fairly quickly. I have so many wonderful memories of her. We ran the Cooper River Bridge race together, Had many holidays together, lived right beside each other for a couple of years before she moved to Mooresville. I still cannot believe she is gone. I am truly grief stricken and at a loss for words. ❤️*

We hung out, I helped watch Trystan and Kedric turn in to great, super fantabulous Soccer and now they have grown up in to such Wonderful young men. I am always here for you T and K. I loved watching you grow up and Knowing how much your Mother loved you. She will always be in heaven for you to talk to. I love you T and K and Jenn ❤️😭😘🙏

“ Dear Bergman and Innes families - Jenn worked for me for the last 2 months at the bank. Although it was a brief time, I got to know Jenn as a person with integrity, possessing a strong work ethic as well. But, most of all, she was a mother who cared and loved her sons deeply, and was extremely proud of them. My heart breaks for all of you. I am profoundly saddened by her passing. May you find some measure of comfort knowing that she touched many lives in a positive way and made a difference to whomever she came in contact with. I hope that the many happy memories you shared will keep her alive in your hearts forever and in mine as well. May she rest in peace. Sincerely, Loraine Moore
