“ When we lose a loved one here on earth, we gain an angel in heaven that watches over us. May you take comfort in knowing that you have an angel to watch over you now. A person that departs from this earth never truly leaves, for they still are alive in our hearts and minds, through us, they live on. Mimi and Dean, Bill and I extend our most sincere condolences to you and your family. We love you both and are here whenever you need us. We will miss seeing Jeremy's smiling face. Always was so kind to us. God Bless you all.
