“ *There are so many memories of this dear friend...I think about our train trip to DC. When we each chose places to go, Jerry chose the National Cathedral. I might never have experienced that, if not for him. Memories—Church, travels together, running into each other in the middle of the country, hiking and driving through the NC mts., his dancing with Pam on our dinner cruise on the Potomac (showing them how to do it), meals together, long hours talking, Jerry’s love of eagles, his faith in Jesus, his walk in that faith, his love for Pam and his family. We will miss you, so much.*
