“ *I heard something on the TV yesterday and it immediately made me think of Jesse. "There are some people that you will always remember, and there are some people that you will never forget." Jesse has touched the lives of so many people and will never be forgotten. My sincere condolences to Kelly, Nolan and McKenzie. The earth has lost a wonderful man but he will be with you forever, in your hearts and your memories. I love you all.*

“ Kelly, I may not be there to share your grief in person, but please know that you and the kids are 100% in my heart, and my prayers. You are Jesse's angel. You've proved that in a million ways over the years you spent together, and especially the last few months. Let the memories of the happiness and smiles you and Jesse shared give you the strength to face the difficult times ahead. Holly is right Jesse is one of the true selfless men I've ever met, and just like his Mom and Dad Jesse loved everyone as family. They say only the good die young. Jesse is proof of that. I love you Kelly

“ Jesse you were always one of the greatest people I've ever had the privilege of knowing. You were kind, caring, loving and truly extraordinary. Not a day will ever go by that I won't remember all the good times we've shared. Your truly at peace now and while it hurts, it makes me happy. I know your reunited with your parents and everyone else our family has lost. I love you Jesse and I will see you again. Kelly and Nolan I know times are diffucult but I hope you can find comfort in knowing the man you called husband and dad is now happy again. He's watching over you now, but he's not gone because his memory lies within your heart. I am and will always be here if you need anything. I'm just sad I can't be there physically at the moment. I love you guys just the same. When someone you love becomes a memory, that memory becomes a treasure.

“ Take comfort in knowing he is out of pain and in heaven where he is waiting on everyone else he loves to get there. He is in a much better place than we are right now. We will all see him again. I'm so sorry for the sadness you are going thru. Please hang in and just take it one day at a time. If you need anything let me know.
